Entry Questions

For your convenience, included below are questions from the official contest entry form. Practice writing your answers to the questions then login to your contest profile at SNIPSmag.com/contractor-of-the-year to submit them officially for consideration of the award.

What is the name of your contracting company?

How long have you been in business?

How many employees do you employ?

Using a dollar amount, about how much does your company do in business each year?

What would you say is your main source of work?

Name three projects, one needs to have been completed (or will be) within the year, that you think exemplify your best work.

In the last year, what would you say has been your company's main challenge? Why?

How have you taken steps to overcome that challenge?

In the last five years, what types of purchases in the form of new sheet metal fabrication equipment, software and other productivity products has your company made?

How have those purchases improved your company's productivity?

What changes have you noticed about the sheet metal and HVAC industry in the last five years?

When was the last time someone on your team suffered an accident on the job? Explain the circumstances.

Since its founding, what would you say have been the main changes at your company through the years?

****Please remember: all entrants must login and officially submit questions at SNIPSmag.com/contractor-of-the-year to be considered for the award.**
