**When You Build It Right,  
Line It Right With PolyArmor,  
Ductmate's Polyester Duct  
Liner Insulation.**

Your best work demands our best work, PolyArmor. The safe, soft, and sound absorbent polyester duct liner delivers R4.2, R5, R6, and R8 performance making for more comfortable and quieter spaces. Overall system noise is suppressed thanks to PolyArmor's superior acoustical design that exceeds traditional and elastomeric materials. It's even made with 25% recycled fibers and works with water based adhesives to keep your projects as green as possible.
