Triangle Fastener is a leading supplier of standard and specialty fasteners, tools, sealants and accessories for the commercial construction industry. A complete line of fasteners for metal-to-metal, metal-to-wood, drywall and concrete anchoring is available from each of the 23 locations. Triangle's "Need-It-Now! Program" is designed to provide fastening solutions for difficult applications. Triangle has eight in-house painting facilities that can custom color match fasteners to exact requirements with delivery in three days or less. Triangle offers jobsite assistance, technical assistance, Pak-One inventory management programs and product development. The TFC Fastening Systems Guide can be found on our website, and is complete with products and technical information on a wide variety of fastening systems and solutions.
