The Duro Dyne Corporation has partnered with the Breast Cancer Research Foundation to help raise awareness and fight for a cure to breast cancer. The BCRF is the highest rated breast cancer organization in the U.S. and has funded 10,876,960 hours of research since 1993. As Duro Dyne enters into its 65th anniversary year in 2017, they plan to utilize this anniversary milestone as an opportunity to raise awareness and help further the cause of the BCRF. On January 30, 2017 Duro Dyne will showcase the 2017 RH Mach III Pinspotter-Pink Edition in their booth at the AHR Expo. All proceeds of the sale will go direct to the BCRF.
